Kanafi,Raphaël Lucas,2019-02-19 A unique and extraordinary saga of video games In just three installments the BioShock saga made a special place for itself in the hearts of players These games boast completely unique and extraordinary stories and worlds The first two installments take place in the underwater city of Rapture Immersed in the Art Deco style and a 1950s atmosphere the player advances through an open intelligent gameplay that encourages creativity and careful use of the resources provided by the surroundings BioShock Infinite the third installment draws us in to explore the floating city of Columbia in a uchronic steampunk laden 1912 Third ditions aims to pay tribute to this hit series which despite its short history has already gained critical acclaim Dive into this unique volume that explores the games origins and provides an original analysis of each installment Discover a complete analysis of the three installments of the BioSchok Saga The video game will not have secrets for you anymore EXTRACT After years marked by total abstruseness the early 2000s saw the transition of PC games to the world of consoles In market terms game consoles had reached a general public status ensuring high popularity but the PC market put up strong resistance in particular by selling downloadable games through stores such as Steam Numerous PC based developers such as Warren Spector Deus Ex Epie Mickey Peter Molyneux Populous Fable and of course Ken Levine began developing for consoles In the same vein numerous genres that were typically destined for PC gaming began migrating to consoles This change certainly had numerous causes one being Microsoft s arrival on the console market with Xbox with architecture close to a PC In addition typical inconveniences in PC development were eliminated

games no longer had to be designed for a wide variety of configurations as a console by nature has a stable internal architecture Finally there was the question of pirating even though it exists on consoles it is much more common on PCs

holding the light up For a moment it appeared as if the shadows themselves were alive bunching and swirling like ink in water At the same time a voice like the distant moan of wind drifted through the empty room and raised the hairs on the back of his neck Deckaaaaarrddddd Caiiinnnn Cain felt a strange doubling a memory of a night many years before when he was just a boy A whispered voice calling to him just like this He backed away fumbling in his rucksack with one hand holding the lighted staff with the other against the darkness Already he was doubting himself had it just been the wind moving through the broken remains of the building above him a trick his mind had played after so long in the sun The voice came again a sound like bones scraping together in the grave Your ghosts are many old man and they are active A grating of metal over rock seemed to come from everywhere at once Once again a pool of black smoke thickened and then dissipated only to reassemble somewhere else a shape carrying a sword the form of a man but with eyes that glowed red with the fires of hell Cain knew what this was yanked from the depths of his own mind and used against him the image of the Dark Wanderer himself conjured up to weaken his resolve The smoke shape swirled and shifted reforming into two indistinct human shapes one taller and clearly female one small and delicate Shock raced through Cain s limbs as an older familiar memory fought to surface He closed his eyes against the darkness as the yawning pit of despair opened within him threatening to pull him in You must not listen Deckard Cain is the last of the Horadrim the sole surviving member of a mysterious and legendary order Assembled by the archangel Tyrael the Horadrim were charged with the sacred duty of seeking out and vanquishing the three Prime Evils Diablo the Lord of Terror Mephisto the Lord of Hatred and Baal the Lord of Destruction But that was many years ago As the decades passed the Horadrim s strength diminished and they fell into obscurity Now all of their collected history tactics and wisdom lie within the aged hands of one man A man who is growing concerned Dark whisperings have begun to fill the air tales of ancient evil stirring rumblings of a demonic invasion set to tear the land apart Amid the mounting dread Deckard Cain uncovers startling new information that could bring about the salvation or ruin of the mortal world other remnants of the Horadrim still exist He must unravel where they have been and why they are hiding from one of their own As Cain searches for the lost members of his order he is thrust into an alliance with an unlikely ally Leah an eight year old girl feared by many to carry a diabolical curse What is her secret How is it tied to the prophesied End of Days And if there are other living Horadrim will they be able to stand against oblivion These are the questions Deckard Cain must answer before it is too late
