Tom Horn

From the Grave: A Roadside Guide to Colorado's Pioneer Cemeteries ,

Tom Horn in Life and Legend Larry D. Ball, 2014-05-19 Some of the legendary gunmen of the Old West were lawmen, but more, like Billy the Kid and Jesse James, were outlaws. Tom Horn (1860–1903) was both. Lawman, soldier, hired gunman, detective, outlaw, and assassin, this darkly enigmatic figure has fascinated Americans ever since his death by hanging the day before his forty-third birthday. In this masterful historical biography, Larry Ball, a distinguished historian of western lawmen and outlaws, presents the definitive account of Horn's career. Horn became a civilian in the Apache wars when he was still in his early twenties. He fought in the last major battle with the Apaches on U.S. soil and chased the Indians into Mexico with General George Crook. He bragged about murdering renegades, and the brutality of his approach to law and order foreshadows his controversial career as a Pinkerton detective and his trial for murder in Wyoming. Having worked as a hired gun and a range detective in the years after the Johnson County War, he was eventually tried and hanged for killing a fourteen-year-old boy. Horn's guilt is still debated. To an extent no previous scholar has managed to achieve, Ball distinguishes the truth about Horn from the numerous legends. Both the facts and their distortions are revealing, especially since so many of the untruths come from Horn's own autobiography. As a teller of tall tales, Horn burnished his own reputation throughout his life. In spite of his services as a civilian scout and packer, his behavior frightened even his lawless companions. Although some writers have tried to elevate him to the top rung of frontier gun wielders, questions still shadow Horn's reputation. Ball's study concludes with a survey of Horn as described by historians, novelists, and screenwriters since his own time. These portrayals, as mixed as the facts on which they are based, show a continuing fascination with the life and legend of Tom Horn.

Tom Horn Jay Monaghan, 1997-01-01 ?The last great folk tale of the last American frontier??that?s how Jay Monaghan describes the crimson career of Tom Horn, defender of property rights, soldier of fortune, range detective, professional killer. Tom Horn, who had chased after Geronimo and ridden the trains as a Pinkerton operative, was drawn to wherever the action was?ultimately to Wyoming as a hired gun for the cattle barons. Finally he went too far?and paid at the end of a rope in 1903. For years afterward, whenever a man was found murdered on the high plains, people said, ?Somebody tom-horned that fellow.?

Tom Horn Chip Carlson,1991

Life of Tom Horn, Government Scout and Interpreter, Written by Himself, Together with His Letters and Statements by His Friends Tom Horn,1964 On November 20, 1903, Tom Horn was hanged in Cheyenne, Wyoming, for the murder of a fourteen-year-old nester boy. Horn-army scout and interpreter for Generals Willcox, Crook, and Miles in the Apache wars, Pinkerton operative, cattle detective, and King of Cowboys-was hanged like a common criminal, many think mistakenly. His own account of his life, written while he was in prison and first published in 1904, is not really a vindication, says Dean Krakel in his introduction. While the appendix is spiked with interesting letters, testimonials, and transcripts, they don't really add up to anything in the way of an explanation of what really happened. Regardless of Horn's guilt or innocence, his story, beginning when he was a runaway Missouri farm boy, provides a firsthand look at scout Al Sieber in action, at the military both great and small, at the wily Geronimo, the renegade Natchez, and old Chief Nana of the Apaches.

L Tom Horn Will Henry,1996-01-01 In I, Tom Horn, originally published in 1975, Will Henry presents a fictional autobiography of Tom Horn that answers decisively the question?did Tom Horn kill fourteen-year-old Willie Kickell, or was he framed? Horn was a cavalry scout in Arizona Territory during the last Apache campaigns, a champion rodeo rider, a Pinkerton, and finally a stock detective in Wyoming. Known and feared as el hombre de sombra (the shadow man), Horn's lifetime (1860?1903) spans one of the most colorful and tumultuous periods of the Old West. In this novel Will Henry provides a multidimensional portrait of Tom Horn as a man capable of humor, compassion, and love, and also one who could kill without the least remorse. This figure is set against equally compelling portraits of Al Sieber, chief of scouts under General Crook, and apache leaders in the Four Families of the Chiricahuas, names now fabled in American frontier history Nana, Chato, and Geronimo.

The Trial of Tom Horn John W. Davis,2016-03-31 For weeks in 1902 it commanded headlines. All of Wyoming and much of the West followed the trial of Tom Horn for the murder of a fourteen-year-old boy. John W. Davis's book, the only full-length account of the trial, places it in perspective as part of a larger struggle for control of Wyoming's grazing land. Davis also portrays an enigmatic defendant who, more than a century after his conviction and hanging, perplexes us still. Tom Horn was one of the most fascinating figures in the history of the West. Employed as a Pinkerton and then as a range detective, he had a reputation as a loner and a braggart with a brutal approach to law enforcement even before he was accused of murdering young Willie Nickell. Cattlemen saw Horn as protecting their way of life, but most people in Wyoming saw him as a hired assassin, an instrument of oppression by cattle barons willing to use violent intimidation to protect their assets. The story began on July 18, 1901, when Willie Nickell was shot by a gunman lying in ambush; the killer was apparently after Willie's father, who had brought sheep into the area. Six months later Tom Horn was arrested. The trial pitted the Laramie County district attorney against a crack team of defense lawyers hired by big cattlemen. Against all

predictions, the jury found Horn guilty of first-degree murder. Despite appeals that went all the way to the state supreme court and the governor, Horn was hanged in Cheyenne in 1903. The trial and conviction of Tom Horn marked a major milestone in the hard-fought battle against vigilantism in Wyoming. Davis, himself a trial lawyer, has mined court documents and newspaper articles to dissect the trial strategies of the participating attorneys. His detailed account illuminates a larger narrative of conflict between the power of wealth and the forces of law and order in the West.

Life of Tom Horn Tom Horn, 1904

Memoirs of a Lawman Cyrus Wells Shores, 2018-04-03 Gunneson City Sheriff “Doc” Cyrus Wells Shores (1844-1934)—nicknamed after the doctor who delivered him in Hicksville, Detroit in 1844—became well-known as a Colorado lawman for bringing down local criminals without parading his authority or a display of guns. Born in the village of Hicksville, about thirty miles from Detroit, Michigan, “Doc” Shores moved to Montana as a young man via a steamer and paid passage by hunting game along the route. Prospecting and hunting in Montana, he then worked in Wyoming hauling ties for the railroad, and later drove cattle up from Texas. After many experiences with Indians, blizzards, and rustlers in Kansas, Shores took his wife Agnes and settled in Gunnison, Colorado, where he served as the sheriff of Gunnison County when it was still wild and became noted as the lawman who captured Alfred Packer, the infamous Colorado Cannibal. During his lengthy career, “Doc” Shores also served as a deputy U.S. Marshal, a railroad detective, and as chief of police for Salt Lake City, Utah—and he rode with Tom Horn when Horn was still on the right side of the law. First published in 1962 and edited by Wilson Rockwell, *Memoirs of a Lawman* are “Doc” Shores’ gripping, as previously unpublished memoirs, spanning his life from his early days on the Western frontier, his appointments as Sheriff, and later Federal Marshall.

Life of Tom Horn Tom Horn, 2012-08-06 On November 20th, 1903, the cowboy Tom Horn was hanged in Cheyenne, Wyoming, for the murder of a fourteen-year-old boy. His trial was almost certainly influenced by sensationalistic “Yellow” journalism and the bitter cattle range wars of the day, and remains controversial even now. Horn had been many things – runaway farm boy, mule skinner, miner, rodeo champion, Pinkerton detective – but his greatest fame had been as a US Army scout and Indian interpreter in the Apache wars. In this autobiography, written while he was in prison and published after his death, Horn describes his many exploits during that period. He provides a compelling firsthand account of cowboy life on the southwest frontier, of the complex and often violent relationship between Americans, Mexicans, and Apache Indians, and of celebrated characters such as Geronimo, the Apache Kid, and Al Sieber. This ebook edition includes an active table of contents, reflowable text, and 12 photographs and illustrations from the first edition.

Resting Places Scott Wilson, 2016-08-22 In its third edition, this massive reference work lists the final resting places of more than 14,000 people from a wide range of fields, including politics, the military, the arts, crime, sports and popular culture. Many entries are new to this edition. Each listing provides birth and death dates, a brief summary of the subject's

claim to fame and their burial site location or as much as is known. Grave location within a cemetery is provided in many cases, as well as places of cremation and sites where ashes were scattered. Source information is provided.

Crime Buff's Guide to the Outlaw Rockies Ron Franscell,2011-09-01 A fascinating journey through the Rockies' unruly past—with maps, photos, and more.

If These Stones Could Talk Mary Reilly-McNellan,2012

Wandering Time Luis Alberto Urrea,1999-01-01 Fleeing a failed marriage and haunted by ghosts of his past, Luis Alberto Urrea jumped into his car several years ago and headed west. Driving cross-country with a cat named Rest Stop, Urrea wandered the West from one year's Spring through the next. Hiking into aspen forests where leaves shiver and tinkle like bells and poking alongside creeks in the Rockies, he sought solace and wisdom. In the forested mountains he learned not only the names of trees—he learned how to live. As nature opened Urrea's eyes, writing opened his heart. In journal entries that sparkle with discovery, Urrea ruminates on music, poetry, and the landscape. With wonder and spontaneity, he relates tales of marmots, geese, bears, and fellow travelers. He makes readers feel mountain air so crisp you feel you could crunch it in your mouth and reminds us all to experience the magic and healing of small gestures, ordinary people, and common creatures. Urrea has been heralded as one of the most talented writers of his generation. In poems, novels, and nonfiction, he has explored issues of family, race, language, and poverty with candor, compassion, and often astonishing power. *Wandering Time* offers his most intimate work to date, a luminous account of his own search for healing and redemption.

The Shots at Iron Mountain Jiri Cernik,2016-12-19 The murder of fourteen-year-old Willie Nickel caused an uproar in southern Wyoming and the public demanded finding the culprit and appropriate punishment. About seven months later Tom Horn, a cattle detective hired by the big ranchers, was arrested and charged with this crime. His lawyer, John W. Lacey and a solitary reporter from Denver, are convinced that Horn is innocent and they try their best to prove that the whole trial is actually a conspiracy by small ranchers, mostly rustlers, to silence Horn once for all. However, in spite of the fact that defense refuted most of the prosecution's arguments and testimonies, the jury found him guilty and recommended the capital punishment by hanging. The story is based loosely on historical facts and legal documents and it is also supplemented by "Chatting with the Chief of Indian Scouts" to provide some insight in Horn's background. *The Shots at Iron Mountain* illustrates the conflict between an individual and rapid societal changes which he cannot or perhaps does not want to accept. The story also highlights politicization and abuses within the judicial system which favor certain special interest groups - a phenomenon too frequent in modern history. Western author Jiri Cernik's *The Shots at Iron Mountain: A Story of Two Men - Tom Horn and Geronimo* is an action-packed Western novel that brings voice to many of the West's best-known characters, whose violent lives ended on the battlefield, in prison or at the end of a hangman's noose. - Stuart Rosebrook, Ph.D., Senior Editor, True West magazine

In a Narrow Grave: Essays on Texas Larry McMurtry, 2018-05-29 This landmark collection, brimming with his signature wit and incomparable sensibility, is Larry McMurtry's classic tribute to his home and his people. Before embarking on what would become one of the most prominent writing careers in American literature, spanning decades and indelibly shaping the nation's perception of the West, Larry McMurtry knew what it meant to come from Texas. Originally published in 1968, *In a Narrow Grave* is the Pulitzer Prize-winning author's homage to the past and present of the Lone Star State, where he grew up a precociously observant hand on his father's ranch. From literature to rodeos, small-town folk to big city intellectuals, McMurtry explores all the singular elements that define his land and community, revealing the surprising and particular challenges in the "dying . . . rural, pastoral way of life." "The gold standard for understanding Houston's brash rootlessness and civic insecurities" (Douglas Brinkley, *New York Times Book Review*), *In a Narrow Grave* offers a timeless portrait of the vividly human, complex, full-blooded Texan.

The Saga of Tom Horn Dean Fenton Krakel, 1988-01-01 An epidemic of cattle rustling in southern Wyoming in the 1890s and the desperate straits of stockmen set the stage for this saga of Tom Horn, a former Pinkerton detective, an expert hunter and dead shot, and one of the most mysterious and controversial figures in the history of the Old West. Some radicals in the powerful Wyoming Stock Growers Association turned to the man who once boasted, "Killing men in my specialty; I look to it as a business proposition, and I think I have a corner on the market." Cattle thieves were duly warned, blood was shed, and Tom Horn was implicated but never charged. Then on the morning of July 18, 1901, Willie Nickell, the fourteen-year-old son of a Wyoming sheepman, was shot. Horn's career was ended. The arrest, trial, and execution of Tom Horn ignite fireworks in Dean Krakel's book, and a colorful cast of cattle barons and lawmen adds to the sizzle. A jury convicted Tom Horn, but his hanging did not settle the specter of guilt.

The Encyclopedia of Lawmen, Outlaws, and Gunfighters Leon Claire Metz, 2002 Standoffs, saloons, and sunsets spring to mind when one envisions the rough and tumble early days of the American frontier.

Early Days of Boulder, Colorado Vol I Sanford Gladden, 2013-07-26 Genealogist and local historian Sanford Gladden sets the scene for the new town of Boulder City, Colorado Territory and takes describes how the town developed from its earliest days. He includes a look at the people, the clubs and organizations, businesses, early fire and police departments, schools and much more. If you have ancestors among Boulder's early pioneers, you'll love these books.

Colorado Legends & Lore Stephanie Waters, 2014-08-12 Colorado is steeped in stories as unique as the people who settled it. Each wave of exploration and settlement brought new tales to explain the mysteries of this incomparable place. With extreme weather and breathtaking landscapes, it seems only natural that Colorado could play host to UFOs, stripper lightning and the Fountain of Love. From creation myths and rumored Aztec treasure to snow snakes and drunken house flies, professional yarn-spinner Stephanie Waters turns an eye to the ancient lore of the Centennial State.

Tom Horn Grave Site Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the

best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Tom Horn Grave Site free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers

and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Tom Horn Grave Site free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Tom Horn Grave Site free

PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Tom Horn Grave Site. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Tom Horn Grave Site any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Tom Horn Grave Site Books

1. Where can I buy Tom Horn Grave Site books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Tom Horn Grave Site book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you

- like a particular author, you might enjoy more of their work.
4. How do I take care of Tom Horn Grave Site books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
 5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
 6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
 7. What are Tom Horn Grave Site audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
 8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
