The Disappearing Spoon Sam Kean,2010-07-12 From New York Times bestselling author Sam Kean comes incredible stories of science history finance mythology the arts medicine and more as told by the Periodic Table Why did Gandhi hate iodine I 53 How did radium Ra 88 nearly ruin Marie Curie s reputation And why is gallium Ga 31 the go to element for laboratory pranksters The Periodic Table is a crowning scientific achievement but it s also a treasure trove of adventure betrayal and obsession These fascinating tales follow every element on the table as they play out their parts in human history and in the lives of the frequently mad scientists who discovered them The Disappearing Spoon masterfully fuses science with the classic lore of invention investigation and discovery from the Big Bang through the end of time Though solid at room temperature gallium is a moldable metal that melts at 84 degrees Fahrenheit A classic science prank is to mold

gallium spoons serve them with tea and watch guests recoil as their utensils disappear **Diablo III: The Order** Nate Kenyon, 2012-05-15 Deckard Cain made his way across the floor following the footprints to an alcove in the far wall Rotted boards clung to supports the last remains of an ancient library This had been a ritual chamber many centuries before used to summon things from beyond the human world A portal to the Burning Hells themselves perhaps The shelves were empty now He saw a speck of yellow underneath a splinter of wood and bent to pick up a corner of parchment paper curled and speckled with mildew Something moved in the shadows to his right He whirled holding the light up For a moment it appeared as if the shadows themselves were alive bunching and swirling like ink in water At the same time a voice like the distant moan of wind drifted through the empty room and raised the hairs on the back of his neck Deckaaaaarrddddd Caiinnnnn Cain felt a strange doubling a memory of a night many years before when he was just a boy A whispered voice calling to him just like this He backed away fumbling in his rucksack with one hand holding the lighted staff with the other against the darkness Already he was doubting himself had it just been the wind moving through the broken remains of the building above him a trick his mind had played after so long in the sun The voice came again a sound like bones scraping together in the grave Your ghosts are many old man and they are active A grating of metal over rock seemed to come from everywhere at once Once again a pool of black smoke thickened and then dissipated only to reassemble somewhere else a shape carrying a sword the form of a man but with eyes that glowed red with the fires of hell Cain knew what this was yanked from the depths of his own mind and used against him the image of the Dark Wanderer himself conjured up to weaken his resolve The smoke shape swirled and shifted reforming into two indistinct human shapes one taller and clearly female one small and delicate Shock raced through Cain's limbs as an older familiar memory fought to surface He closed his eyes against the darkness as the yawning pit of despair opened within him threatening to pull him in You must not listen Deckard Cain is the last of the Horadrim the sole surviving member of a mysterious and legendary order Assembled by the archangel Tyrael the Horadrim were charged with the sacred duty of seeking out and vanquishing the three Prime Evils Diablo the Lord of Terror Mephisto the Lord of Hatred and Baal the Lord of Destruction But that was many years ago As the decades passed the Horadrim's strength diminished and they fell into obscurity Now all of their collected history tactics and wisdom lie within the aged hands of one man A man who is growing concerned Dark whisperings have begun to fill the air tales of ancient evil stirring rumblings of a demonic invasion set to tear the land apart Amid the mounting dread Deckard Cain uncovers startling new information that could bring about the salvation or ruin of the mortal world other remnants of the Horadrim still exist He must unravel where they have been and why they are hiding from one of their own As Cain searches for the lost members of his order he is thrust into an alliance with an unlikely ally Leah an eight year old girl feared by many to carry a diabolical curse What is her secret How is it tied to the prophesied End of Days And if there are other living Horadrim will they be able to stand against oblivion These are the questions Deckard Cain must answer before it is too late **The Glass Menagerie** ,1970 Games and

Rules Beat Suter, Mela Kocher, René Bauer, 2019-03-31 Why do we play games and why do we play them on computers The contributors of Games and Rules take a closer look at the core of each game and the motivational system that is the game mechanics Games are control circuits that organize the game world with their joint players and establish motivations in a dedicated space a Magic Circle whereas game mechanics are constructs of rules designed for interactions that provide gameplay Those rules form the base for all the excitement and frustration we experience in games This anthology contains individual essays by experts and authors with backgrounds in Game Design and Game Studies who lead the discourse to get to the bottom of game mechanics in video games and the real world among them Miguel Sicart and Carlo Fabricatore
